If you want to make a DIY **queening chair**, it's easy enough to take an old dining table **chair**, remove the seat from it, and voila! You're probably best keeping part of the seat for comfort reasons if possible, depending on the design of the **chair**. We would like to show you a description here but the site won't allow us. A **queening chair** makes this a lot more comfortable by giving the woman a nice padded seat to sit on and the man a nice comfy headrest to rest his neck in while he licks out the woman. This **queening chair** from **QueeningStools** is ideal because it takes the weight of the woman off the man's face, allowing him to be queened for longer. **Queening Chair**. 4.6 out of 5 stars poorly constructed already lost a cushion I am currently taking it apart to **build** a nice heavy duty plush one don't get what. Afternoon Tea & Entertainment: Femdom Fiction He felt the collar move slightly on his neck as he knelt to the right of the sofa as per Mistress' instruction.
