Here we have a few med-surg nursing **brain sheets** or **report sheets**. These are designed for nurses who have more than 1-2 patients. With my time in the **ICU**, I learned to manage 2 patients fairly well. However, some med-surg nurses manage upwards of 7-8 patients per shift (which I could never understand), but that means that need to stay organized. 100% money-back guarantee. With our money back guarantee, our customers have the right to request and get a refund at any stage of their order in case something goes wrong. If a non-**ICU** nurse is re-deployed to a specialty area without experience within that area, it is the responsibility of the employer to provide just-in time training before deployment to the newly assigned area is confirmed to ensure the delivery of safe patient care. 29 Likes, 7 Comments - Frank L Simoncini DO FACOS (@fsimoncinido) on Instagram: "Happy to have represented my practice, Southeast Valley Urology, and @ironwoodcancer at the Bentley.
